Water sports	6 x Yamaha Wave Runners
Crane	2 x Single davits & Davit for SOLAS Boat

14. ANCHOR/MOORING SYSTEM

Anchor winch	Custom
Anchors	2
Chain	2 x 220m
Capstans	1

15. BOARDING ARRANGEMENTS

Passarelle	Manual from boat deck
Boarding ladder	2 accommodation ladders from Main deck to water/dock

16. COMMENTS

Built originally as CUMULUS in Holland as a weather ship, she was owned by the Dutch authorities and then the British authorities before she was then purchased by her current owner and impressively converted by Devonport Yachts in Plymouth UK in 1998. The rebuild was very extensive involving complete new high grade machinery. SALEM offers enormous volume for a yacht of her size and presents well having only seen private family use since her rebuild.
