# LEGEND

ONE OF A KIND

One of a kind is a term often used when talking about Super-yachts, but this one is different. There are luxury yachts out there, and there are luxury yachts that sleep more than 12 guests. There are yachts that have commercial helipads and there are yachts that have submarines. There are yachts that go to the Arctic, there are yachts that go to Antarctica, but all of the above? There is not one other luxury ice-breaking yacht with all these capabilities and then some. LEGEND will offer pure unadulterated adventure, thrills and fun with all the luxuries you would come to expect of a Super-yacht from world-class cuisine to a dedicated spa centre.
